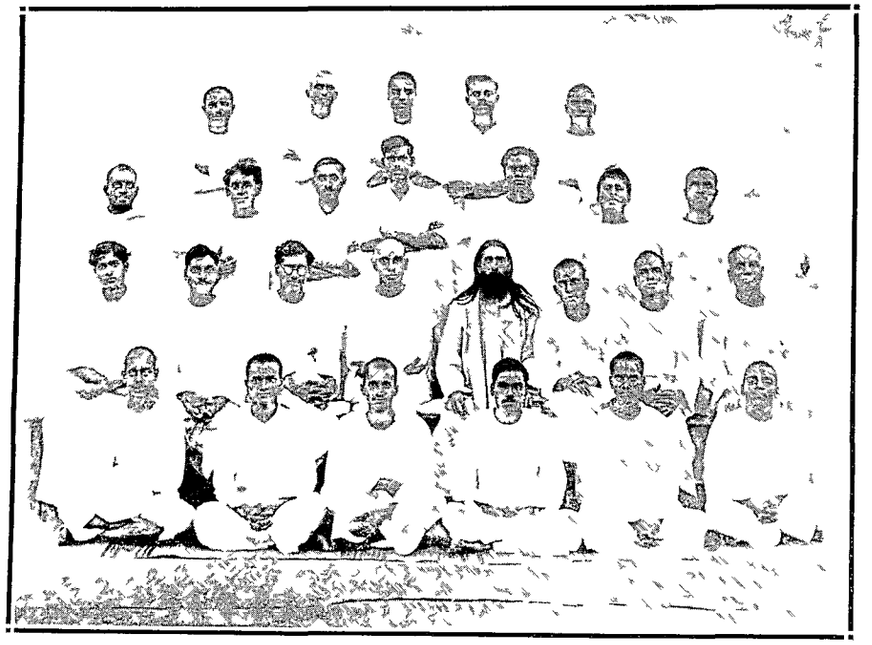
WORKERS OF THE SANGHA



18 Teachers, 4 Propagandists, and 4 Medical workers.

THE DEENA SEVA SCOUTS

The Deena Seva Scouts are all day-time labourers in the Mills and Students of the "Seva Ashram" Night School. They are active Service Scouts propagating the ideals of Anti-Drink, Sanitation and Social uplift through slum cleaning, processions, dramas, bhajans, lantern and cinema lectures, distribution of literature, etc., in the labourers' quarters.

Work of the Sangha

Settlements amidst the Slums. The Deena Seva Sangha consists of a body of helpers and a band of devoted workers for the amelioration of the poor people living in the Slums of Bangalore City. During the five years since its inception, the Sangha has established three "Settlements" or *Ashrams*—one, near the Malleswaram Labourers' pit, another next to Seshadripuram Scavengers' lines and road-makers' huts, and the third in the Cottonpet Mill Road.

Activities in the Settlements. In each centre the workers of the Ashram live on the premises, conduct Morning and Evening Schools for the children and Night Schools for the pre-adult labourers and elderly boys, organise Bhajanas, Lantern Lectures and Cinema shows on Health, Temperance etc., render free medical relief, pay house to house Sanitary visits, and help in cleaning the slums and providing better conditions of life. The Sangha conducts Aannual Sports for all its school children, and prizes, cups and shields are awarded to the winners.

Ashram atmosphere. The workers have attracted a group of Night School Students, who have made the Ashram their home, only they have their meals in their huts and go for their work to the Mill or factory. They sleep in the Ashram and early in the morning share in the prayers physical culture and bath. These students have formed themselves as Seva Scouts, and in addition to going on excursions during the week-ends, they take part along with the workers in Social Service and Mass Propaganda. It is from this group that the Sangha has been able to recruit many of its teachers and workers.

Home for Poor Students. In the Ashram at Seshadripuram the Sangha conducts the Deena Vidyarthi Ashram a Home for Poor Students and Orphan boys, giving them regulated Ashram life and sending them for further education to schools or training in vocations like carpentry, printing mill-work etc.

Seva Ashram, Malleswaram

Day School. In this first centre of our activity, situated in a rented building next to the Labourers' Pit, Malleswaram, the Ashram conducts a Day School for the children of the labourers, living in the neighbouring huts and the Mill lines. There are 230 students, of whom 49 are girls and the daily attendance is 195. The School begins at 8 A.M. with prayers and Bharati songs and then after drill, the classes go on till 11 A M; and in the after-noon from 1-30 to 4-30 P.M. terminating with games and exercise On Saturday mornings the boys are taken to the tank and given soap baths and taught swimming.

Upper Primary Vocational classes. Many of the parents having become convinced of the advantages of keeping their sons a little longer at school, before putting them for work in the Mills, we have started the Upper Primary V and VI classes, providing therein extra time for vocational training in weaving and composing. The Govt. Educational Dept. have approved of this idea and it is hoped to enlarge this section when the Ashram will have its own building and rooms for holding the classes and providing vocational instruction. To this Upper Primary section, the students who pass out of the IV class from our other schools are also admitted.

Night School. There are 59 students in the Night School, all of whom are labourers during day time. In addition, the students of the Upper Primary classes are also given extra instruction at nights. About 20 students sleep in the Ashram itself, and after morning prayers, exercise and bath, they go to the Mills to work.

Scouting and Games. The Ashram has a corps of 25 Seva Scouts. They have their drill and classes, and sometimes excursions, on Sundays. The Scouts are specially trained to render Social Service, organise Bhajanas, Processions, Dramas etc. and to propagate the ideals of abstinence from drink, sanitation and better living.

Co-operative Society. The elderly students and teachers of th Ashram have, during the past three years organised a Co-operative Society, and with the share capital and deposits from its 62 members, they are conducting a Students' Stores, supplying their needs of clothing, books etc. The Society has transacted business worth Rs. 750 duri the year and declared a dividend of 6¼%.

Workers. There are 9 workers in the Ashram, of whom except 2 all live on the premises. All the workers are engaged in teaching and one of them attends to the Dispensary also.

"I seek not Kingdom, nor Paradise, nor even Salvation."

OUR THANKS & APPEAL

As during the last Four years, the Government of His Highness the Maharaja of Mysore, the Bangalore City Municipality, the management of the Mysore Mills Ltd., various public bodies, and our donors have all extended the same sympathy, co-operation and support to the activities of the Sangha. This year was made memorable by the visit of Mahatma Gandhi to our centres of work, when he laid the foundation stones of our new School building and of Sri Muddurama Setty Memorial Dispensary, the kind gift of Sriman P. Subbarama Chetty, M. L. C. in memory of his late-revered father. The heart-felt thanks of the Sangha are due to all these institutions and helpers.

The needs of the Sangha are daily increasing, as wider opportunities of service to the poor present themselves before the workers. Especially with the lay-out of the proposed Labour Colony in Srirampuram and the consequent removal of the huts from the Labourers' Pits and other places, the Seva Ashram, Malleswaram, has to build a permanent home of its own to conduct the school, the vocational training section, and the dispensary. We appeal to the Government and the City Municipality to grant the Ashram a plot of ground in the middle of the Labour Colony.

We close this report with the earnest hope that the public will continue their support and help us in our efforts to serve the people dwelling in the slum quarters of Bangalore City.

(Through the Deputy Commissioner, Bangalore District,
Bangalore).

Dear Sir,

On behalf of the Labourers' Fellowship Settlement, the "Ashram," conducted by the Deena Seva Sangha, next to the Scavengers' Quarters, Seshadripuram, I beg to submit the following application to you for the continuance of the annual grant of Rs.500/-, which you have been kindly giving us for the last three years from the Muzarai Chatram Savings Fund.

As stated in the enclosed copy of the Fifth Annual Report of the Sangha for the year 1934, the Settlement situated amidst the quarters of the very poor labourers, has been rendering social service to them by conducting Day and Night Schools, Bhajanas, Free Ayurvedic Dispensary, and a Free Boarding Home for poor students. In addition four workers of the Ashram are engaged in doing systematic propaganda in the City slums and in the villages through lantern lectures, bhajanas, etc.

In the Free Dispensary, we have treated during the last year 35,710 patients, of whom 9,580 are men, 7,849 are women and 18,281 are children. There is a daily average attendance of 94 patients. The medical relief has alone cost us Rs.999-0-6 during the year (Pp.7 of the Report), and excepting the Rs.120/- given by the Municipality, and the loan of Rs.71-8-0 borrowed by the Ashram, all the rest of Rs.800 and odd have been collected by donations from the public.

3 To train and maintain a band of missionary self-sacrificing workers for the carrying on of the above objects & aims.

4 In the Home for Poor Students, there are 20 students, drawn from all castes, leading a common Ashram life. Of these 15 are studying in the Schools and 5 undergoing training in printing, factory and pharmacy, etc. The maintenance of this Home has cost us Rs.927-11-8 during the year (Pp. 4 and 5 of the Report), and it is towards this that the grant from the Muzarai Department is being mainly utilised.

5 In addition the Sangha has spent during the last two years Rs.2615-2-7 towards the construction of a pucca building to accommodate the students - dormitory, kitchen, etc., and all this amount has been raised as donations from the public, including the gracious gift of Rs.500/- from His Highness the Yuvaraja of Mysore.

6 I conclude this appeal with once more requesting you to continue the grant from the Muzarai Department and thus enable the Settlement to carry on its work of ameliorating the conditions of the poor and their children.

Yours faithfully,

Ruth E. Robinson.
